# D'Aquino

GROUP OF COMPANIES

**THE D'AQUINO GROUP** is the national importer for a number of leading international wineries. Rex D'Aquino has tapped into his extensive network of friends in the major wine producing countries of Italy and Spain to source these award winning wines. These are wines that will compliment and enhance any retail offering or wine list, fuelled by the growth and acceptance of International Wine styles by Australian consumers.

## CASCINA ADELAIDE - BAROLO - PIEDMONTE - ITALY

### A FAMILY PASSION

The close bonds of the Drocca family have allowed the realisation of a dream. Their state of the art winery and the quality of their vineyards in Piedmont Italy enable them to produce many award winning wines. Their flagship wines are from the village of Barolo, known as "The King of Wines and the Wine of Kings."

This is one of the shining lights of the Piemonte region in Italy and after extensive investment in the winery and vineyards their wines are now securing very high scores and reviews from major wine magazines around the world including, Wine Spectator and Robert Parker's Wine Advocate.
